GPA MANAGEMENT

DEEP UNDERSTANDING CLASSES

Montfort's customized Montfort Quad 3-2-1 Learning GPA management program helps students of all ages develop study skills and gain academic confidence in the subjects of their choice. Each tutoring session is conducted with a maximum of two other student participants, and each student is taught independently at his or her own pace.

Montfort's high teacher retention rate and regular tutoring schedule allow students to continue with their favorite teachers as long as they like, creating positive and meaningful mentoring relationships.

Math

Geometry (H) / Pre-Calculus (AB/BC) / Math 1/ Math 2 / Math 2A / Math 3 / Math 3A

Mon – Fri (Once a Week) 600pm-7:00pm

Science

Biology (AP/H) / Chemistry (AP/H) / Physics (AP/H)

Critical Reading Workshop

Saturday 1:00pm-2:00pm

Please contact us directly for tuition information.

POWER PROGRAMS

Power English

Designed to sharpen reading and writing skills in middle school students, this new curriculum will closely analyze books and help students develop strong essays.

Honor I/II Mon – Fri (Once a Week) 4:00pm-5:00pm

Power Math

A rigorous program to focus on Integrated Math, Algebra II, or Geometry for middle school students. Number of classes and topics covered will depend on interest.

Mon – Fri (Once a Week) 5:00 pm-6:00 pm

Enrollment in our programs is on a first-come, first-served basis. Register early to avoid the last-minute rush and secure a place in the appropriate class. Each student must attend all classes for ultimate success. No Makeup classes will be provided.

A \$50 non-refundable registration fee will be assessed for first-time students. Prices and scheduling are subject to change without notice.
